Transcripts

*Fast & Easy Access
with Transcript Services!*

Have you ever considered holding a full year's student records in one hand? Sounds impossible - it's not! You can eliminate the dozens of file boxes, thousands of pages of paper, and hundreds of reports you have to deal with by implementing one simple service... Archival CD-ROM!

We offer a service that takes your student records and stores them to CD-ROM for easy search and retrieval as well as archival purposes.

Types of Reports...

- Report Cards
- Transcripts
- Student Records

Benefits...

- Fast search and retrieval
- Year-to-date information contained on a single CD-ROM
- All data accessible from a single CD-ROM
- Reduces paper storage
- No special equipment required
- Windows™ based application
- Free training

For additional information, please contact us to learn how you can benefit from this powerful service.
